Day 7: Genome annotation

MMB-127

Compare the functional potential of multiple genomes

- Kegg mapper color

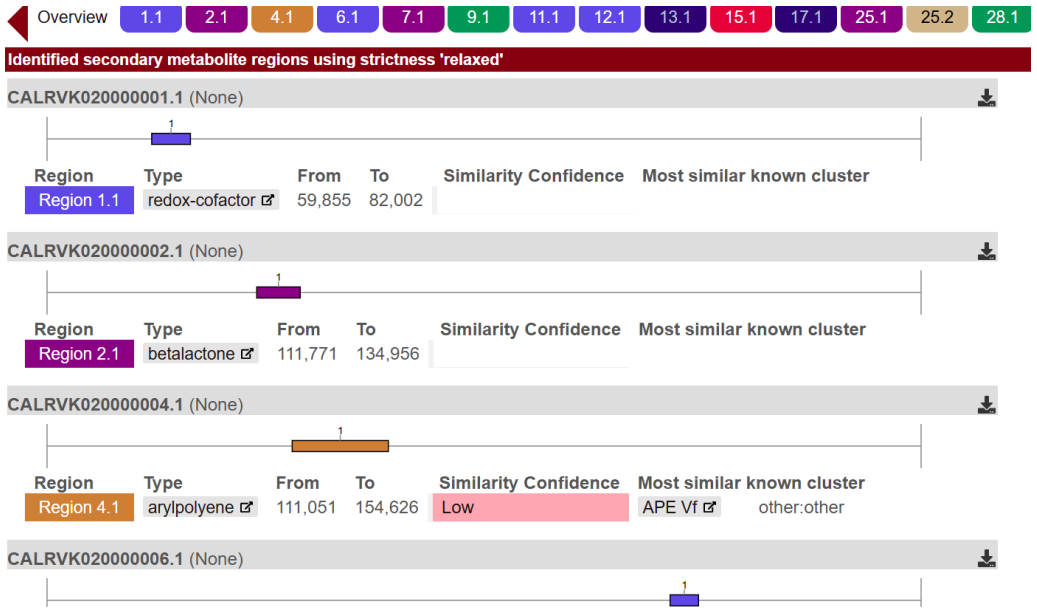

KEGG Mapper – Color

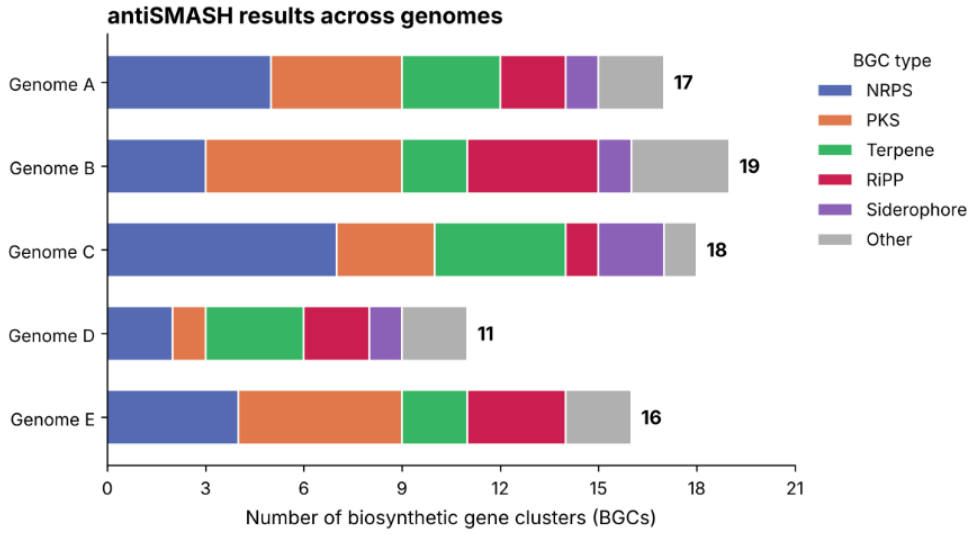

Mapper | Reconstruct | Search | Color | Join | MWsearch | Convert ID | Taxonomy

Color tool

Compare the functional potential of multiple genomes

- AntiSMASH: Antimicrobial, pigments, resistance genes…

Compare the functional potential of multiple genomes

- Macsyfinder: prediction of bacterial secretion systems complexes

Pathogens?
Symbionts?
